

Kentucky Ready-Mixed Concrete Association & the City of Frankfort

When it Rains, it Drains!!!

Date: **Tuesday, May 26, 2009**

Time: **3:00 PM**

PLEASE JOIN US **Ribbon Cutting Ceremony** **Frankfort's NEW Pervious** **Concrete Parking Lot**

The City of Frankfort and the Kentucky Ready-Mixed Concrete Association would like to invite you to join us at the Ribbon-Cutting Ceremony for the city's new pervious concrete parking lot. We are showcasing this new parking lot's ability to allow water to flow through, recharging the aquifer. The lot now has 0% stormwater runoff— all the water goes back into the ground and not into the stormwater drains. Help us usher in a new stage of environmental protection and green and sustainable building practices.

Highlights

- Ribbon-Cutting Ceremony
- Refreshments
- Display of how pervious concrete works
